BLAISE KOLODYCHUK PRESENTS: NANDI BEAR TENANTS

Naiad Bear has escaped the snakes and is on the run... The mysterious voice still haunting her.. Calling out her name.

And who is following me?

This place should do nicely.

Naiad starts setting her trap...

NAIAD.. I'M COMING!
DON'T WORRY....

I'm in here you
creep!

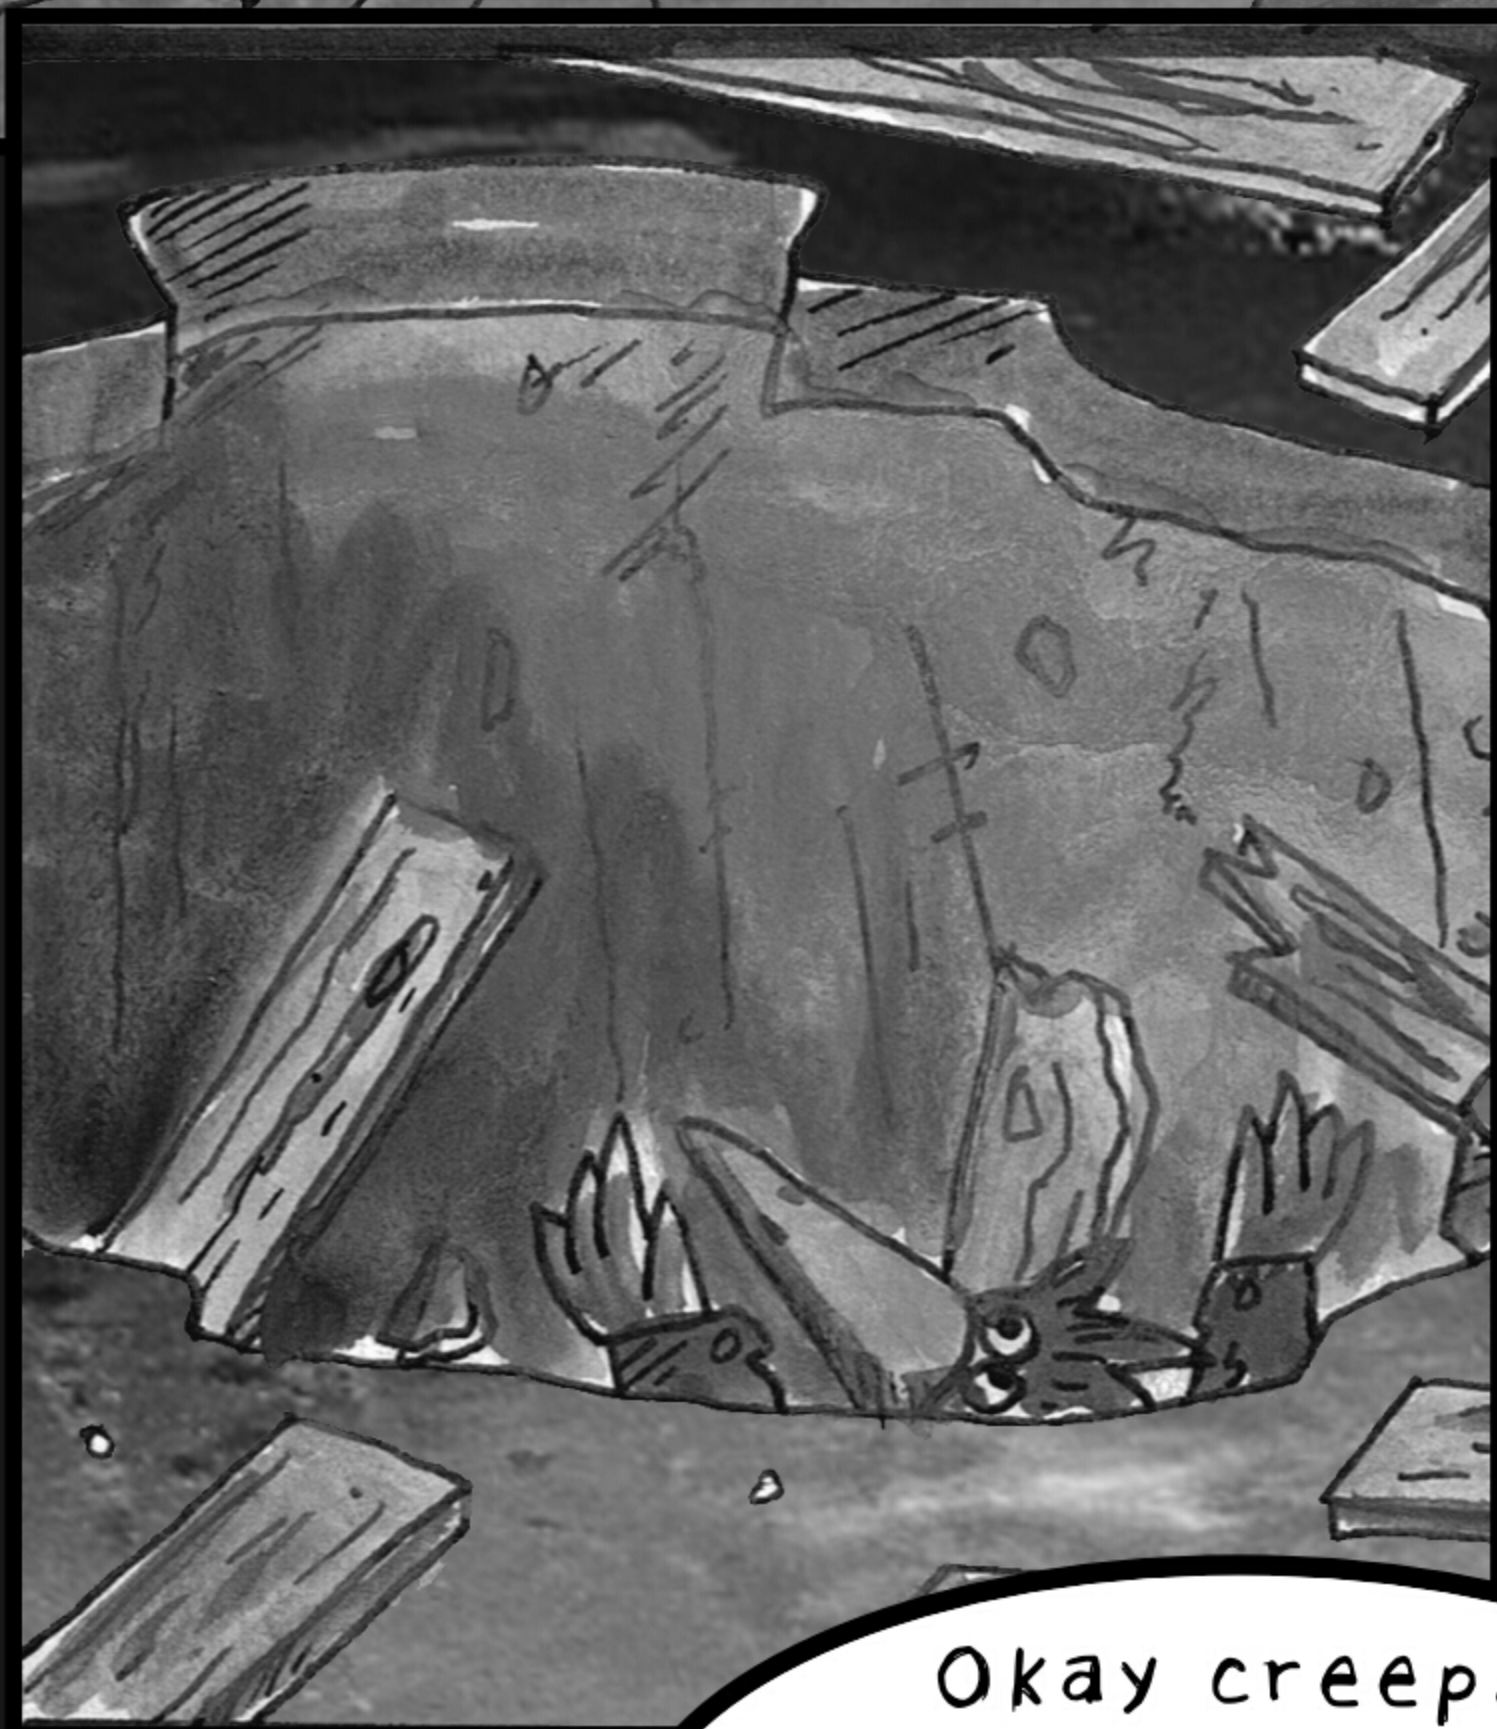

NAIAD, I'VE
BEEN LOOKING ALL OVER FOR
YOU. THERE IS SOMETHING WE
DESPERATELY NEED TO TALK
ABOUT.

What? Sorry
I can't hear you..
Too much loud music
as a kid.

Okay creep.
Who are you and
what do you want?
Where am I?

My
name is
Floyd, and you
should really
look behind
you.

Huh? Why?

She looks behind her and Floyd is standing there!

She looks back down in the hole and he is gone!

THIS
CAN'T BE
REAL!

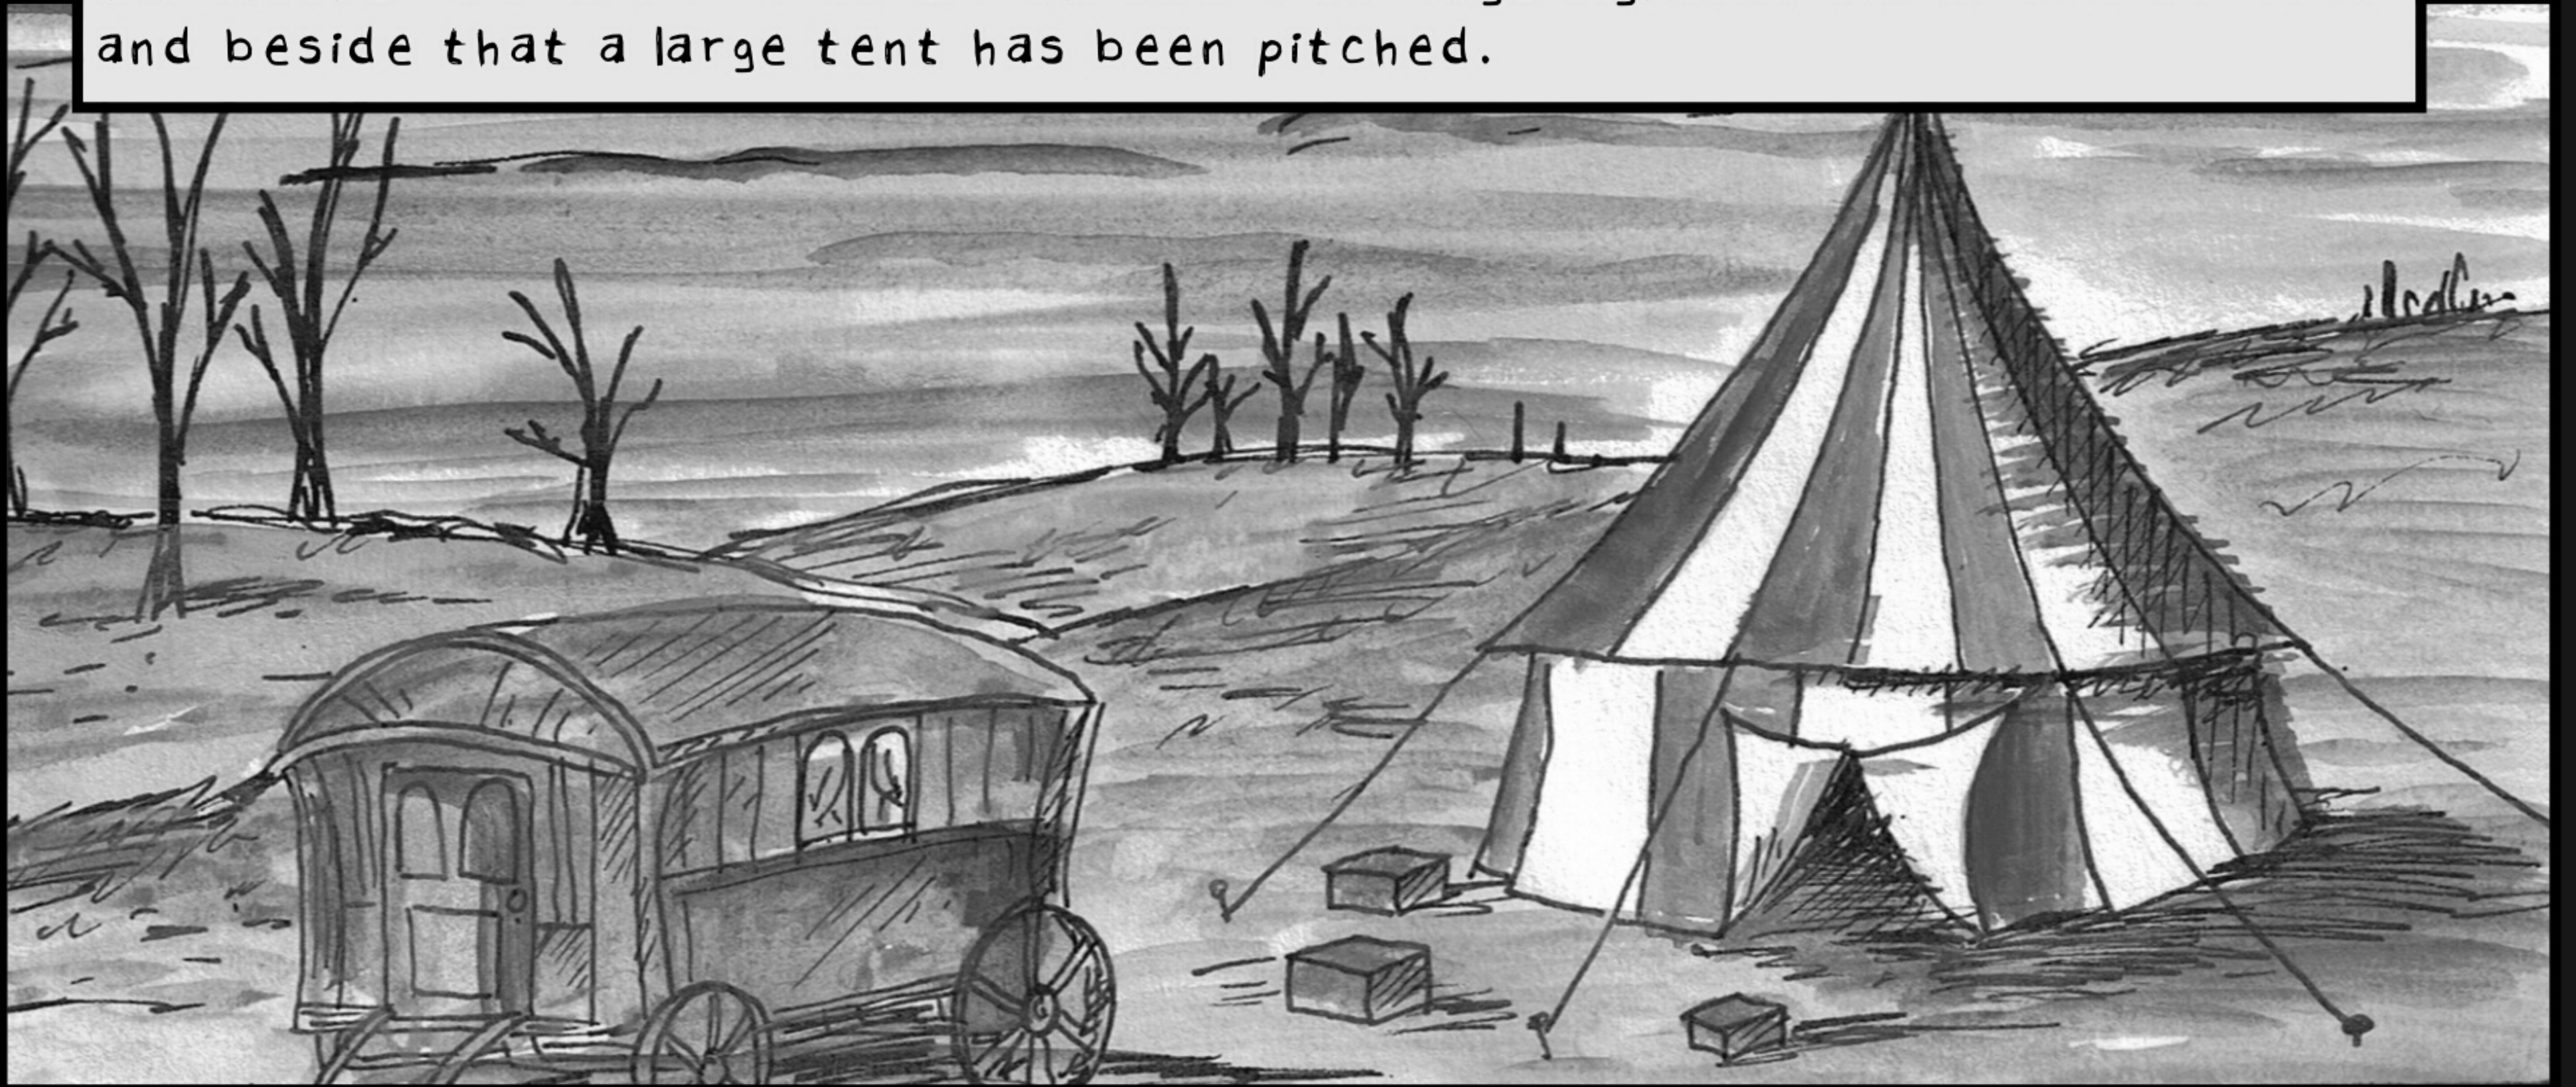

Naiad quickly runs out of the building leaving Floyd to continue his pursuit.

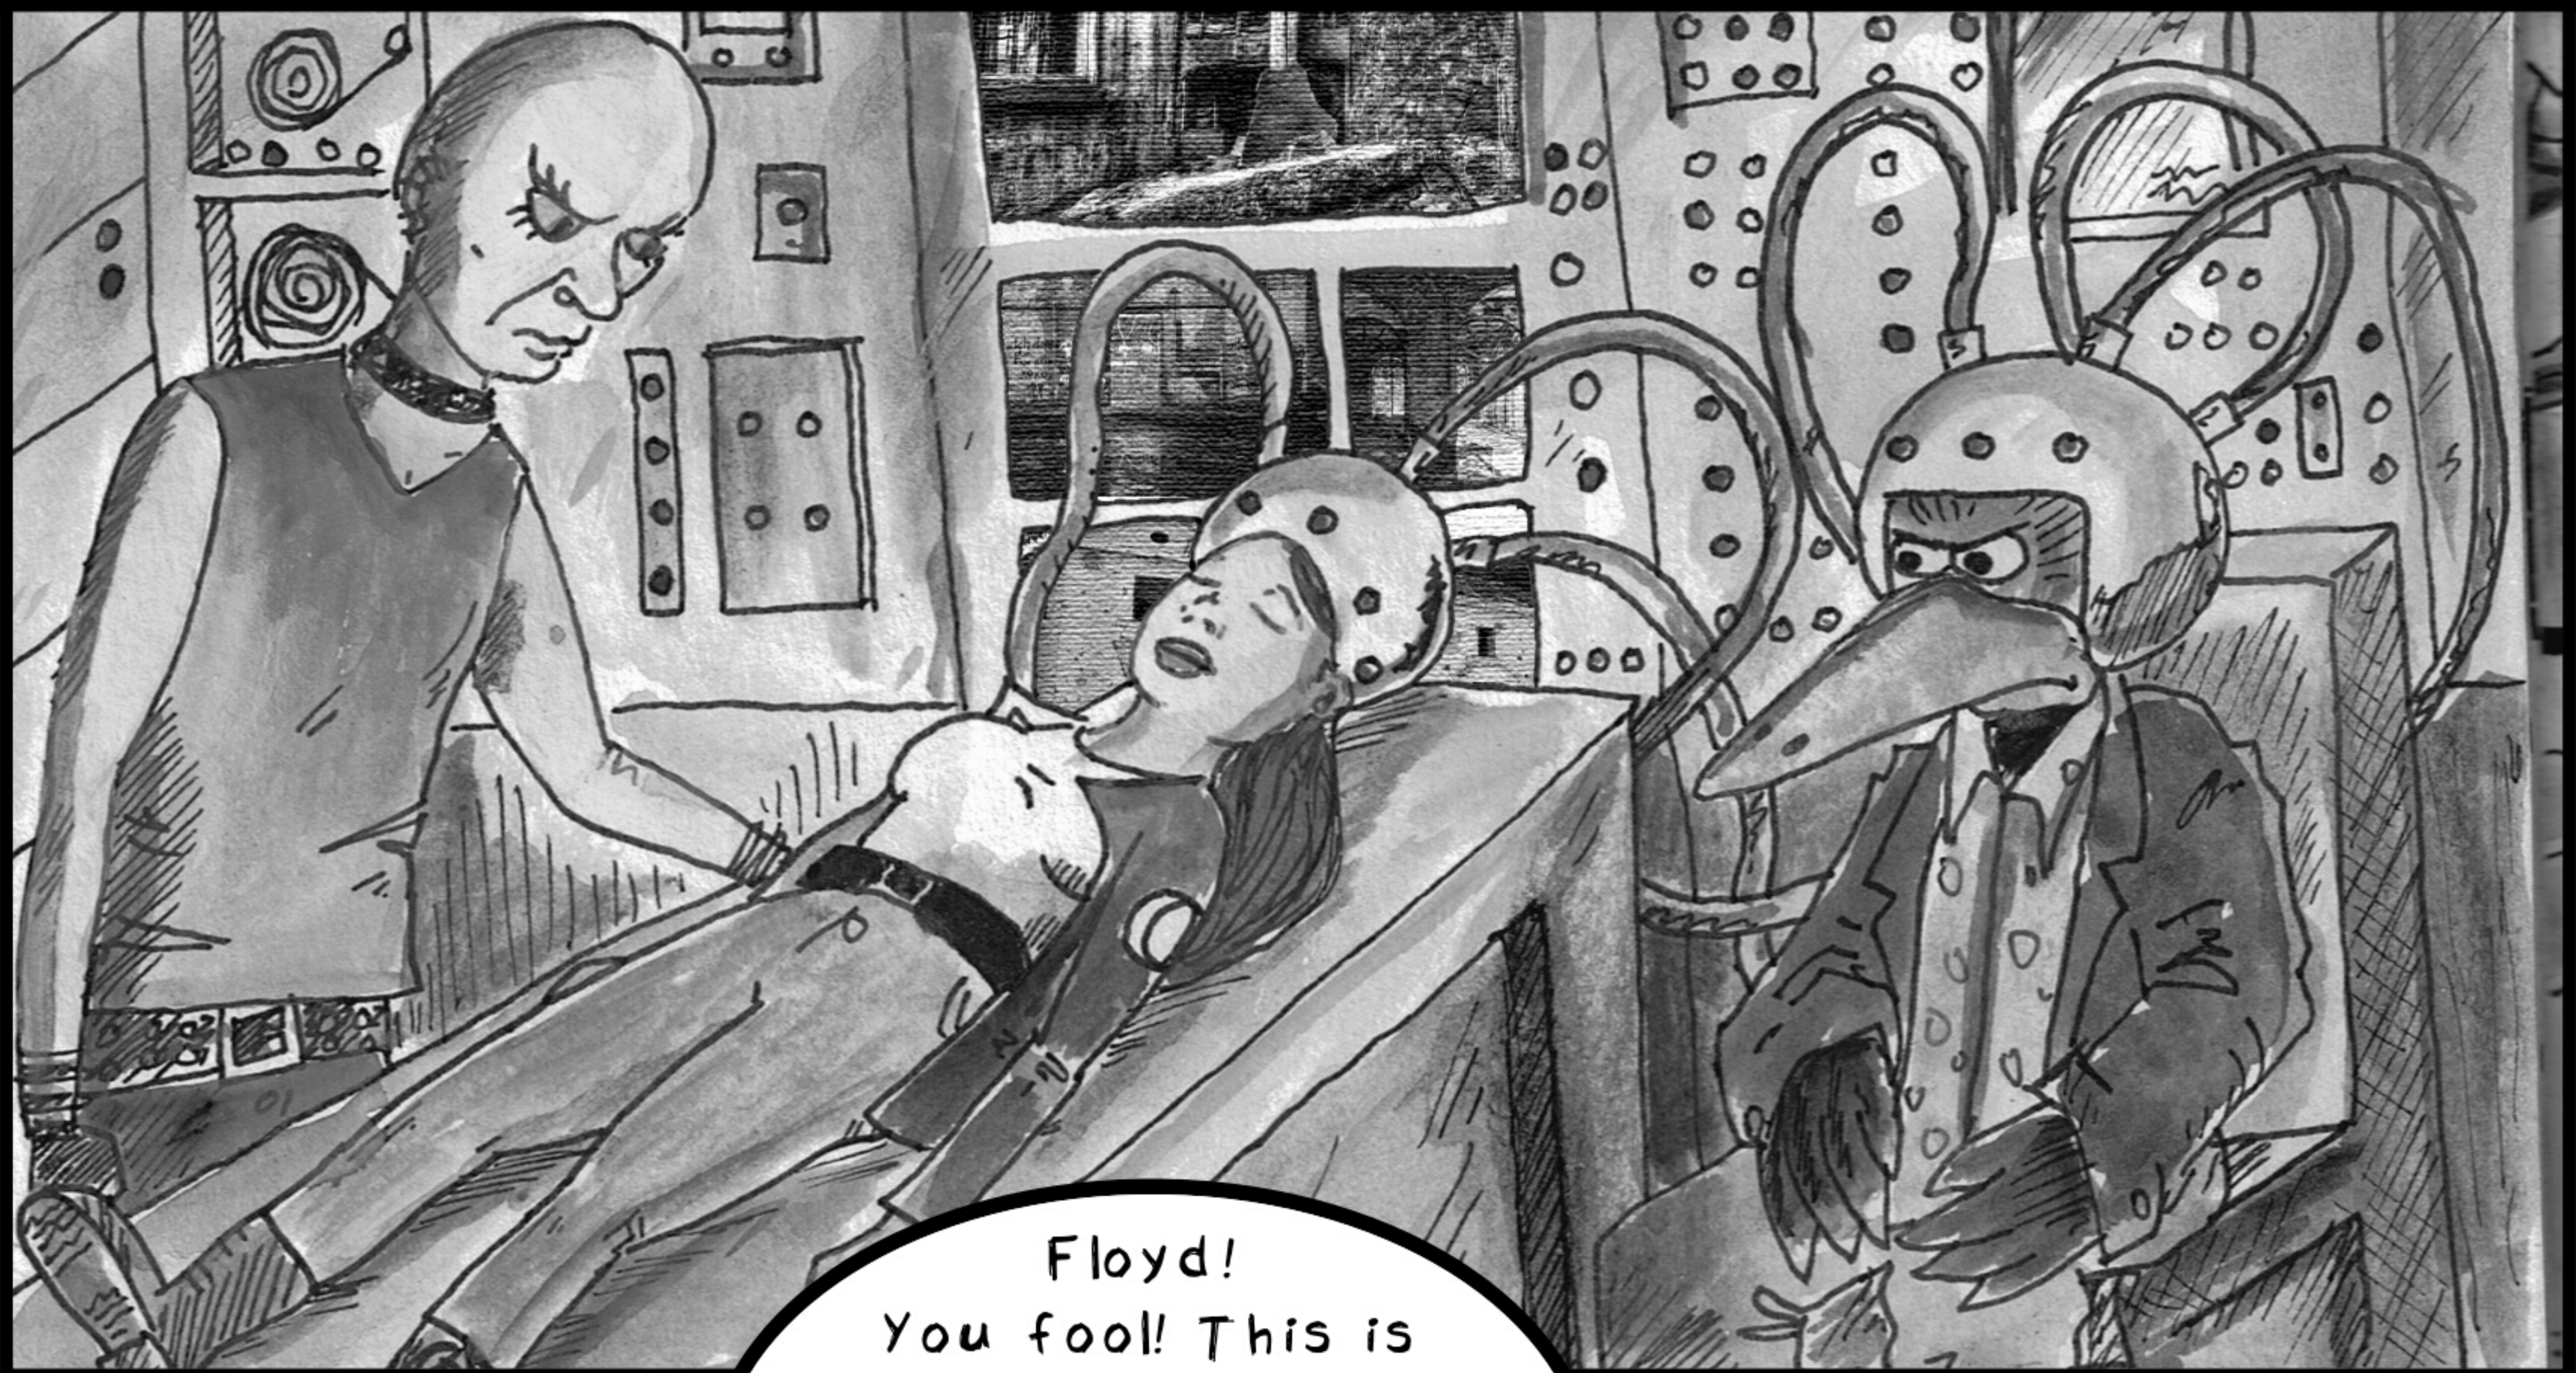

NO, IT
CAN'T BE,
NAIAD. BUT IT IS IN
SO MANY WAYS.
DON'T WORRY,
I'LL COME
GET YOU.

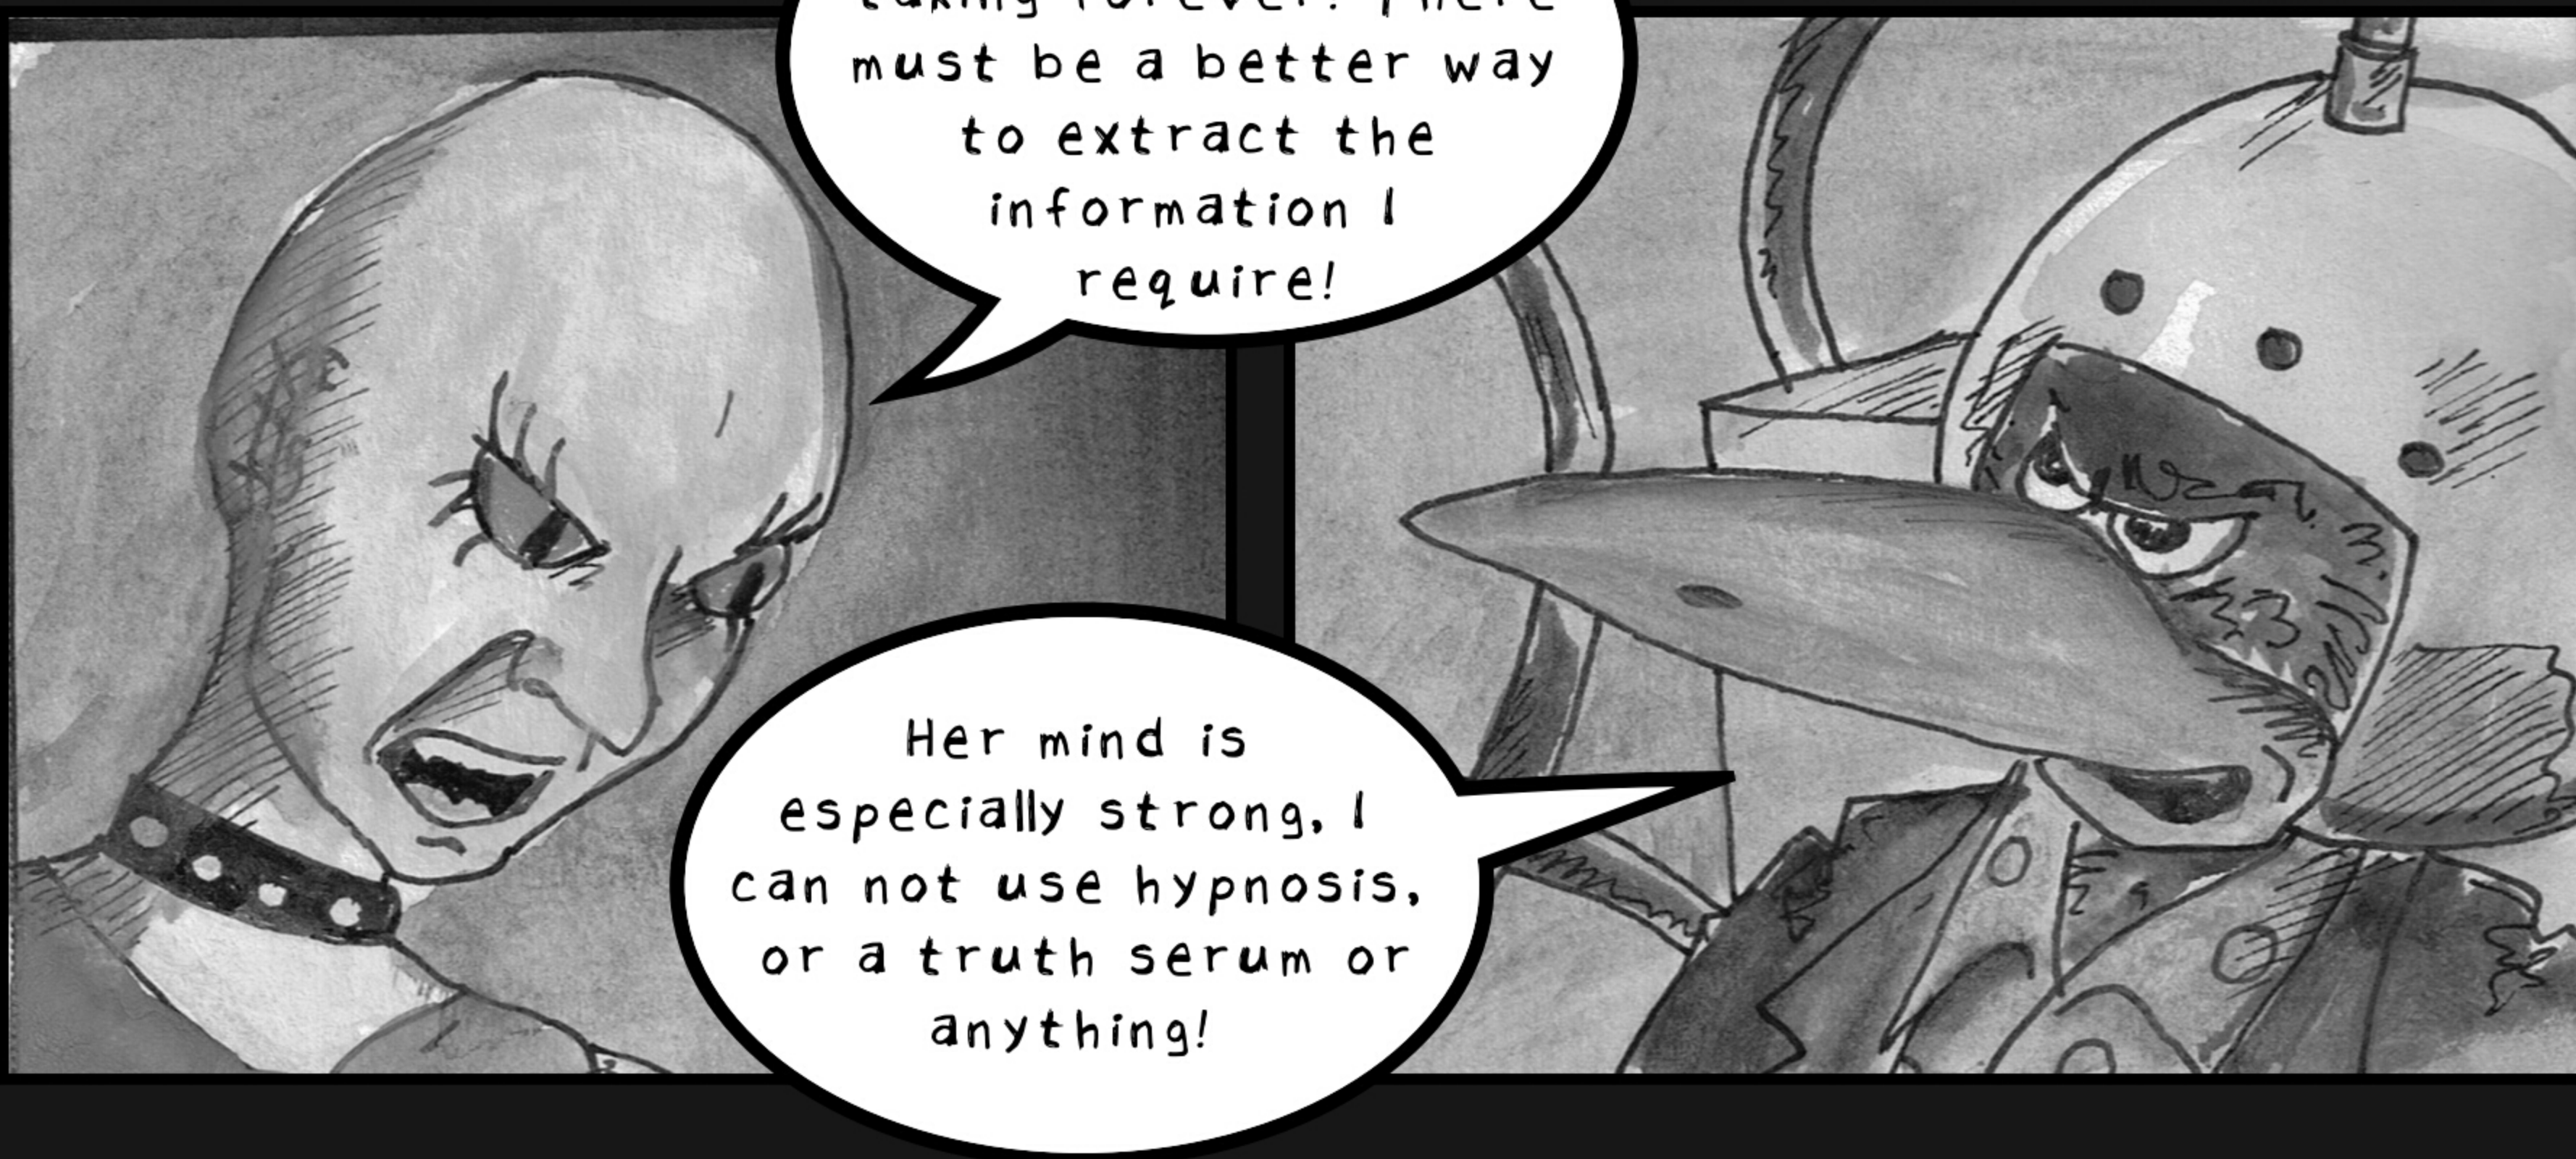

On another world far from Earth sits a strange sight. An old circus caravan and beside that a large tent has been pitched.

But within the tent is some of the universe's most sophisticated machines hooked up to the unconscious body of Naiad Bear, and also to the helmet being worn by Floyd the Illusionist. The villainous Super Punk watches over this diabolical display.

Floyd!
You fool! This is taking forever! There must be a better way to extract the information I require!

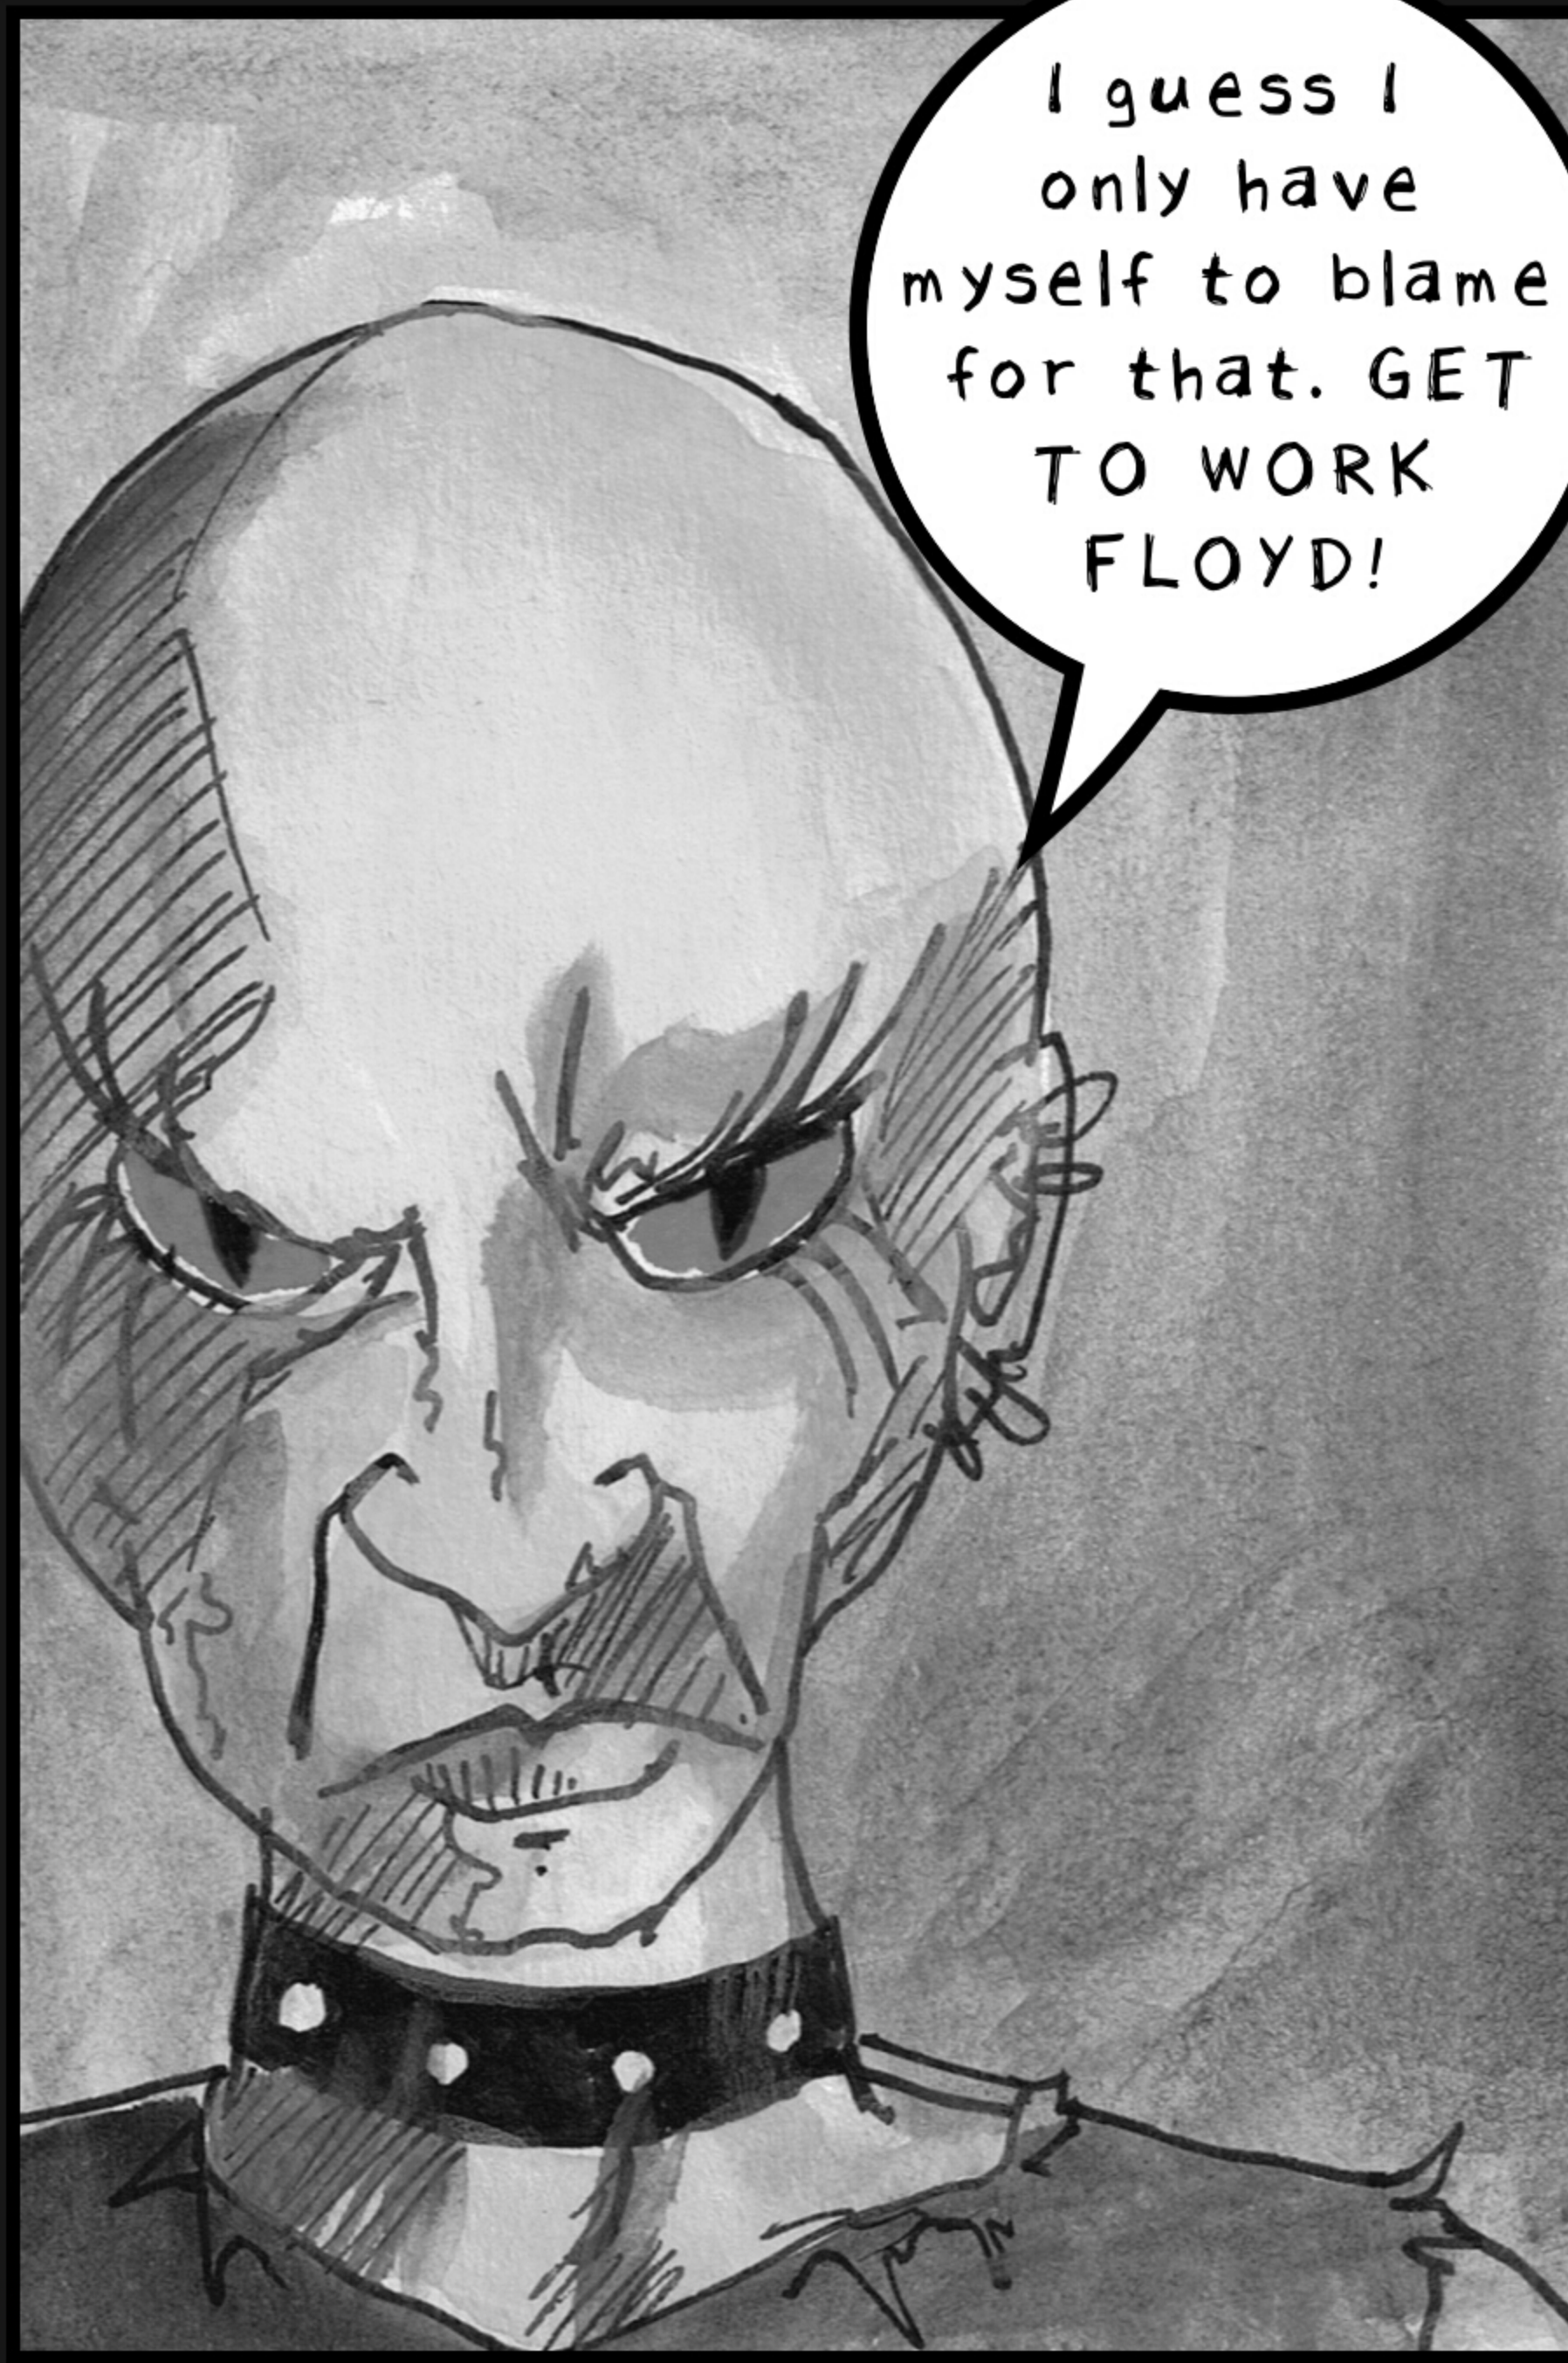

Her mind is especially strong. I can not use hypnosis, or a truth serum or anything!

The only way for me to get the information out of her is to defeat her in the dream world and take what I want after.

Well it is taking far too long. We have a plan that we need to fulfill. And without this secret I will not be able to be whole again.

I will try harder, master. Her mind is such a difficult place to navigate around. So much destruction and damage!

I guess I only have myself to blame for that. GET TO WORK FLOYD!

Back at the Nandi Bear Mansion Stensor, Galaxy and Raca are preparing for transmat.

I kind of just meant helping out in the shop, Sunny. But I guess if there is a call for adventure you guys can try to get a hold of Captain Armstrong, or Flash Back or any of the other local heroes.

Steelson, maybe Giant Awesome Beaver.. I have a list of names and numbers on the fridge.

Thanks for your vote of confidence.

Yeah, have a good trip guys.

Oliver hits the button and they disappear! They hear Rick the head's voice coming from the shop.

Everyone! I am getting a message from the airwaves!

Oliver and Sunny enter the shop. Rose and Klor are with Rick the ghostly head.

When he says
airwaves he just means
the police radio.

Yeah, his
giant ghostly
head is tuned
in to their
channel.

Quiet!
There is a bank
robbery in
progress
downtown. The
culprit is ZOR.

Zor?
Never heard
of them.

He's a
big robot, you
can't miss
him.
